TARGETED SOLUTIONS FOR TOUGH SITUATIONS

Conflicting agendas.

Engrained apathy.

Miscommunication.

There are many reasons why communities and organizations struggle to get things done – even when the need for action is critical.

Susan Halbert Consulting specializes in identifying and removing organizational roadblocks. For issues of every sort, we help you bring the right people to the table and steer them along a shared path of focused, effective action. Our comprehensive organizational development services include:

- > Community convening
- > Strategic planning
- > Organization assessments
- > Action research and appreciative inquiry
- > Nurturing working relationships
- > Organization culture audits and action plans
- > Large group orientation and meeting facilitation

>> Susan brings a unique set of skills and capabilities to problem solving, by opening up communication between people and facilitating the decision-making process necessary to achieve group consensus. <<

OVERCOMING OBSTACLES BY FOCUSING ON OUTCOMES

Susan Halbert Consulting works with individuals, organizations, cross-sector collaborations, nationwide coalitions and communities of all sizes. With every group and every issue, we remain committed to results.

- > When you're seeking to articulate a vision or define a mission, we offer direction that leads to outcomes.
- > When a project is stalled by disagreements, we show participants how to work together effectively.
- > When groups struggle to see eye-to-eye, we help them become motivated to find common ground.
- > When colleagues work well around the table but fail to advance beyond the meeting, we lead them to create the plan for action.
- > When a group of individuals wants to solve a complex set of problems, we bring them together and guide them toward solutions.

We customize proven processes to match every situation. We get to know the people, the groups and the goals. Most importantly, we create an environment where all voices are heard and valued.
